Airbrush
your skin...
Naturally

Free your skin from
toxic chemicals and get
the flawless airbrush
perfection from
*Australia's No. 1 Mineral
Make-up brand.*

- Natural anti-oxidants
- Natural sunscreen
- Won't irritate sensitive skin
- No harsh chemicals
- No parabens or bismuth
- No animal products or testing
- Covers hard to hide blemishes
- Luminous airbrushed effect
- Lightweight - no caking

Isn't it time you got **nude**?

Nude by Nature was voted the “**Best Mineral Make-up**” by the country's top magazine editors. It is chosen by some of the world's most stunning natural beauties AND it outsells all other mineral make-up brands in pharmacies and department stores. Now you can jump on the wave and profit from this much loved brand in your Salon!

Supported by a **multi-million dollar** advertising campaign, its no wonder this home grown brand continues to go from **strength to strength.**

Get your dream complexion with our easy *4 step* system

Step 1. Prepare

Prepare the skin with the Airbrush Primer to protect your skin and keep your make-up flawless all day.

Step 2. Cover

With a few simple swirls of the brush you can cover redness, uneven skin tone, blemishes and build to your perfect cover.

Step 3. Contour

Use the Mineral Bronzer to contour the face and add that perfect sun kissed glow, without the damaging effects of the sun.

Step 4. Finish

Set your make-up and diffuse the appearance of fine lines and wrinkles, absorb excess oil and add a beautiful finishing glow with the Veil.
